

December 1, 2017

Aloha Principal, Health & P.E. Teacher and/or PCNC,

The 2018 Keiki Great Aloha Run will be on February 17, 2018 – please mark your school’s calendar. This event is MORE than a safe, 1.5 mile fun run for kids. It is Honolulu’s premiere kid-focused run, it builds upon a shared vision for healthy, active kids, and it offers wrap-around activities that convey a message that “being healthy can be FUN.” Each finisher will receive an event t-shirt, a healthy breakfast, a discount parking pass, and FREE entry into the Great Aloha Run Sports, Health & Fitness Expo (doors open at 9 a.m., just after the run).

This event offers a fundraising opportunity for your school’s physical fitness and nutrition education activities, as \$15 of every registration that designates your school will be donated to your school. In 2017, \$35,000 was raised and distributed to 130 public and private schools on Oahu!

Enclosed is information to help you organize your school (a PDF version of these materials can be downloaded at [www.kahoomiki.org](http://www.kahoomiki.org)).
